Pre-Employment Drug Screening Policy

The County of Macomb has a vital interest in maintaining a safe, healthful and efficient working environment for its employees and to the public it serves. Being under the influence of a drug on the job may pose serious safety and health risks not only to the user but also to all those who work with the user and members of the public. The use of illegal or legal drugs in the workplace may also pose unacceptable risks for safe, healthful and efficient operations.

The County recognizes that its own health and future are dependent upon the physical and psychological health of its employees and members of the public. Accordingly, it is the right and obligation of the county to maintain pre-employment drug screening practices which are designed to prevent hiring individuals in the Sheriff's Office who use illegal drugs or individuals whose use of legal drugs indicate a potential for impaired or unsafe job performance.

With these objectives in mind, the Macomb County Civil Service Commission has established the following Pre- Employment Drug Screening Policy:

1. All candidates for positions as new hires in the Sheriff's Office shall be given notice at the time of application that he/she will have to submit to a drug screening test as part of the pre-employment physical examination and that he/she will be considered for hire only after they successfully pass the drug screening test(s). The applicant must sign a consent form for the drug screening.
2. The initial drug screening shall be done by analyzing a urine sample using the immunoassay technique or analyzing a hair sample. As part of the drug-screening test, the candidate shall provide information concerning all drugs or medications used within the previous thirty (30) days.
3. The urine or hair samples of candidates shall be obtained during the pre-employment physical examination and shall be sent to an independent drug-testing laboratory.
4. Any candidate who fails the drug screening test (immunoassay) shall be notified of same by letter and shall have the right to request a further confirmatory test of the same sample using a gas chromatography/mass spectrometry technique. The request for further testing shall be made within ten (10) days of date the candidate is notified of his/her failure.
5. The cost of all testing shall be paid for by the Civil Service Commission. Any testing in addition to the initial immunoassay test shall only be conducted by the laboratory, which did the initial testing. No new sample may be submitted.
6. Refusal to submit to the drug screening shall disqualify a candidate from appointment by the Sheriff.
7. The Commission, Sheriff, and their staff and all medical personnel shall keep the results of said drug screening confidential. The results of said drug screening might be released to the candidates upon submission of a formal request for it. The Commission may release the results of the testing if required by court order of if the candidate should contest the results of the drug screening.
